

5th Grade Enrichment Reading

I am very proud of your accomplishments this year! We have many exciting things to experience next year. I hope that you have a summer full of fun days and lasting memories!

It is important to keep learning over the summer. Summer reading will help you maintain the skills you have learned throughout the school year.

Enclosed are a list of things I'd like you to accomplish this summer.

Familiarize yourself with the Common Literary Terms and Common Genre worksheets. We will be incorporating this information in our discussions throughout the year. These terms will be included in assessments next year. Keep these papers in your enrichment reading binder.

I am including a list of great books you should enjoy. Be prepared to report on one of these books in September. I recommend choosing one that is an AR title and get a jump start on your points for next year.

I encourage you to journal daily. Keep a journal nearby and write in it at least 3 times a week. Reflect on a book you are reading, or have your parents find a list of writing prompts for the days you may need a bit of inspiration.

Read for 20 minutes a day. Read books that you love!

Enrichment Reading Supply List

- 1 inch white binder with a clear front sleeve on the cover.
- 2 packs of 3x3 standard (sticky) Post-it-Notes (180 sheets total, any color)
- 1 lined journal (at least 5x9 but no bigger than 8x10). You may use the one you write in over the summer! The cover must be school appropriate.
- 1 box of cleaning wipes
- Reading fee: \$10.00. Make checks payable to St. Albert the Great

Have a happy and blessed summer!
