

Saint Albert the Great Camp Discovery ~ 2018

Learning is FUN at *Camp Discovery!*

Camp Discovery is a day camp filled with science, computers, arts and crafts, drama, music, games, and fitness. It is open to all children who are entering into first grade and to those who have completed fifth grade.

Taught by certified teachers, Camp Discovery tailors it's activities to each child's grade level. Our campers will have fun playing on a variety of educational websites. They will explore technology, using Print Shop and will learn how to use different computerized effects to alter their own photograph in Photo Booth.

This year in Arts and Crafts we will be exploring the world of art using various materials. We will discover new ways to paint using shaving cream and bubbles. From printmaking to weaving, kids will be fully engaged in the art making process! We even plan to make some art outside too!

The campers will take a "Trip" each day to a different country. They will have mini lessons, learning some facts and a little about the culture of each country. They will also participate in crafts and fun activities related to each country.

There's much more. In Drama and Music campers will break out some instruments, dancing shoes and do a little acting! Get ready to move and groove! We will also have our Annual Talent Show so get your best talents ready with your friends you will make at Camp Discovery! Animals, hurricanes, dinosaurs, sports- what's not to love in the science room this year? Come and join the excitement, as each day has a new experiment or activity that hasn't been done before! You may even participate in some STEM challenges! The fun of science is endless, you will not be disappointed!

Wait, there's still more. Let's get moving in Physical Education class! Students will participate in fitness exercises and games of all sorts! We will emphasize sportsmanship and cooperation during our games. Start our child's summer with the Joy of Learning. *Camp Discovery* makes learning fun! Register now. Your child will love you for doing it!

Sincerely yours,

Carri Metcalfe
Camp Director
